Testimonials

Congratulations - very well organized, everything went smoothly and the organizers were discretely in the background in the most positive sense. The sessions were intriguing and provided interesting food for thought. But what I was most impressed with was the quality of the attendants. Only a very few service providers but plenty of Principals and investors of all sorts with a variety of international background I enjoyed the many conversations very much. So, in short, it were two days well invested - definitely an event I can recommend without hesitation! Once again, thank you,
András Gosztonyi

Hands down the best FO event ever! The Zurich conference was outstanding in a crowded field of family office events. The notable feature is multiple topic tracks with top notch speakers who are rare on the circuit. There were also many families in attendance, making the networking very worthwhile. Prestel and Partner is effective at vetting to ensure the right people are in the room. The venue, the Dolder Grand, was fantastic and conducive to having private chats as well as mingling. Excellent!

Steffi Claiden, Family Office Review

As a 20 year veteran of the wealth management business from the FO side of the aisle, I have actively participated in many a conference and would consider your Zurich program truly outstanding... top of what I have ever attended. The setting was spectacular, accommodations superb, food outstanding but most importantly the attendees – representing a global audience of families – were outgoing/candid/interesting and enjoyable to spend time with! Congrats on a terrific job...well done!

Stephen McCarthy, Family Investment Office

The laidback yet very professional ambiance appealed a lot to me, such as the ability to choose from a variety of very interesting presentations

Bruno Sidler, globalOne ag SFO

Thank you for the very warm hospitality and efficiency in which the Zurich conference was held. I was very impressed and really enjoyed the academic exchanges and the atmosphere for conference members to interact and get to know each other. I very much look forward to attending future Prestel & Partner Family Office Forums.

Sebastian Pech, BTV Group SFO

The FO Forum was excellent. Organization perfect and the audience, especially the large number of principals, was impressive. Thank you very much for inviting us and please keep us posted on your future events.

Heiner Weber, SFO

Great success! Very well organised. Tight schedule. Brilliant ambiance. Communicative participants. Interesting and rewarding exchange with both peers and well behaving solution providers. Looking forward to your next event!

Stephan Gerwert, Rigi Family Office

I am very grateful having been invited to Zürich. This was the second time I attended having only been in Wiesbaden before. The choice of topics, the expertise of the speakers and the networking was excellent. I went home with many new ideas and concepts and have had interesting new contacts which I will follow-up on. Kind regards

Michael Hamke, SFO

Prestel and Partner did a great job fostering collaboration around shared interest and respect – creating relationships in a short period of time, with people from different countries, backgrounds and perspectives.

Josh Cohen, SFO

I enjoyed the Family Office Forum in Zurich more than other conferences for Family Offices. The atmosphere was very good, it was truly international and I had many interesting discussions with people from all over the world. Tobias Prestel and his team were again successful in broadening the subject matters of presentations and discussions – and Zurich was a nice place to be.

Klaus Demleitner, Compliance Consulting
