## Testimonials

*Should you wish to give your feedback or leave a testimonial, please contact us at [office@prestelandpartner.com](mailto:office@prestelandpartner.com)*

I found it (The Family Office Forum Singapore) very enriching to meet speakers who had been in my position and what they chose to do in those situations. It's always the case for second generations, we are for more fragile and for experiences to be independent, it has to come from sources outside the family.

**Jonathan Cheong, FO 2nd gen**

It was a great event with wonderful participation from the audience, especially during the session with EDB and the MAS.

**Anuj Kagalwala, PwC**

The audience was extremely well-qualified and we did not see any service providers or companies marketing themselves. This gave way to very positive and open conversations that were able to be honestly shared between peers. Highly recommend for UHNWIs and Family Offices to attend.

**Clarence Chew, Principal Alexstrasza Holdings**

Thank you for organising the fantastic event and inviting me. It was a great experience with inspiring speakers and each session was really insightful!

**Noriko Okada, Acuie & Co.**

We were delighted to participate at The Singapore Family Office Forum as a partner. We received much interest from Family Principals following the panel discussion and made some great connections.

**Sarai Kemp, Trendlines**

Thanks for such a great gathering!

**Vikas Garg, abillionveg**

Had a fantastic time networking and meeting new people at the Prestel Family Office Forum

**Edmund Chng, BUPA**

Congratulations on your 2nd event in Singapore, I thought the program was excellent.
